Item 1.01 Entry into a Material Definitive Agreement.

Promissory Note dated August 14, 2024:

On August 14, 2024, EzFill Holdings, Inc. (the "Company") and NextNRG Holding Corp. (formerly Next Charging, LLC) ("Next") entered into a promissory note (the "August 14 Note") for the sum of \$165,000 (the "Loan") to be used for the Company's working capital needs. The August 14 Note has an original issue discount ("OID") equal to \$15,000, which is 10% of the aggregate original principal amount of the Loan. The unpaid principal balance of the August 14 Note has a fixed rate of interest of 8% per annum for the first nine months, afterward, the August 14 Note will begin to accrue interest on the entire balance at 18% per annum.

Unless the August 14 Note is otherwise accelerated, or extended in accordance with the terms and conditions therein, the balance of the August 14 Note, along with accrued interest, will be due on October 14, 2024 (the "Maturity Date"). The Maturity Date will automatically be extended for 2 month periods, unless Next sends 10 days written notice, prior to the end of any 2 month period, that it does not wish to extend the August 14 Note, at which point the end of the then current 2 month period shall be the Maturity Date.

If the Company defaults on the August 14 Note, the unpaid principal and interest sums, along with all other amounts payable, multiplied by 150% will be immediately due. Next will have the right to convert all or any part of the outstanding and unpaid principal, interest, penalties, and all other amounts under the August 14 Note into fully paid and non-assessable shares of the Company's common stock. The conversion price shall equal the greater of the average VWAP over the five (5) Trading Day period prior to the conversion date; or \$0.70 (the "Floor Price"). Notwithstanding the foregoing, the conversion price shall not exceed the closing price of the Company's Common Stock on the Nasdaq Capital Market on the date of the August 14 Note.

The Company has agreed to issue 53,500 shares of its common stock to Next (the "Commitment Fee Shares"). The Commitment Fee Shares, when issued, shall be deemed to be validly issued, fully paid, and non-assessable shares of the Company's Common Stock. The Commitment Fee Shares were deemed fully earned as of August 14, 2024.

The Company and Next have agreed that the total cumulative number of common stock issued to Next under this Note, together with all other transaction documents may not exceed the requirements of Nasdaq Listing Rule 5635(d) ("Nasdaq 19.99% Cap"), except that such limitation will not apply following shareholder approval. If the Company is unable to obtain shareholder approval to issue common stock to Next in excess of the Nasdaq 19.99% Cap, then any remaining outstanding balance of this August 14 Note must be repaid in cash at the request of Next.

The August 14 Note contains a protection for Next in the event the Company effectuates a split of its common stock. In the event of a stock split, if the August 14 Note is issued and outstanding and has not been converted, then the number of shares and the price for any conversion under the August 14 Note will be adjusted by the same ratios or multipliers of, any such subdivision, split, reverse split.

Michael Farkas is the chief executive officer and the controlling shareholder of Next (the "CEO"). The CEO is also the beneficial owner of approximately 27% of the Company's issued and outstanding common stock. As previously reported on a Current Report on Form 8-K that was filed with the Securities and Exchange Commission on August 16, 2023 and on November 8, 2023, the Company, the members of Next (a limited liability company at the time of such filings) and the CEO (the managing member of Next at the time), as an individual and also as the representative of the members of Next, entered into an Exchange Agreement (the "Exchange Agreement"), pursuant to which the Company agreed to acquire from such members of Next 100% of the membership interests of Next in exchange for the issuance by the Company to the members of Next of shares of common stock, par value \$0.0001 per share, of the Company. Additionally and as previously reported on a Current Report on Form 8-K that was filed with the Securities and Exchange Commission on June 14, 2024, a second amended and restated exchange agreement to the Exchange Agreement was entered into between the Company, the shareholders of Next and the CEO to reflect the conversion of Next Charging, LLC to NextNRG Holding Corp., a corporation organized in the State of Nevada (the "Second Amended and Restated Exchange Agreement"). Additionally and as previously reported on a Current Report on Form 8-K that was filed with the Securities and Exchange Commission on July 22, 2024, the first amendment to the second amended and restated exchange agreement was entered into between the Company and the CEO as the representative of the shareholders of Next. The first amendment provides that, in the event that the Company at any time prior to the Closing undertakes any forward split of the Common Stock, or any reverse split of the Common Stock, any references to numbers of shares of Common Stock as set forth in the Second Amended and Restated Exchange Agreement shall be deemed automatically updated and amended at such time to equitably account therefor. Further, in the event the Company undertakes any forward split of the Common Stock or any reverse split of the Common Stock following the Closing, any references to any of numbers of Exchange Shares as set forth in the Second Amended and Restated Exchange Agreement shall be deemed similarly automatically adjusted to the extent still applicable, including, without limitation to the numbers of Exchange Shares vesting or being forfeited pursuant to the terms and conditions of the Second Amended and Restated Exchange Agreement. Upon occurrence of the Closing, Next will become a wholly-owned subsidiary of the Company. As of the date of this Current Report on Form 8-K, the Closing has not occurred.

The information set forth above is qualified in its entirety by reference to the August 14 Note, which is incorporated herein by reference and attached hereto as Exhibit 10.1.
