

EzFill to Begin Mobile Fuel Service for Fuse Specialty Appliance and GFC Crane Consultants in Miami

Expands with Current Customer L&W Supply to Provide Fueling in Orlando

MIAMI, FL, Mar. 11, 2024 (GLOBE NEWSWIRE) — EzFill Holdings, Inc. (“EzFill” or the “Company”) (NASDAQ: EZFL), a pioneer and emerging leader in the mobile fuel industry, announced that it has signed fuel delivery agreement with two new fleet customers and has expanded its service of L&W Supply.

The new fleet accounts Fuse Specialty Appliance and GFC Crane Consultants are an luxury appliance company and crane inspection company in Miami. The new customers have joined the EzFleet platform. The expansion with L&W Supply includes service to L&W’s location in Rockledge.

Yehuda Levy, EzFill’s Interim Chief Executive Officer, commented, “The new fleets and expansion with L&W Supply are expected to add approximately 157,000 gallons per year and approximately \$672,000 in revenues per year. The expansion with L&W and the continued addition of new fleet customers are a direct result of our team’s hard work and resilience. Our operations, our delivery drivers, and our back office have been putting in the work and this shows in our continued growth.”

About EzFill

EzFill is a leader in the fast-growing mobile fuel industry, with the largest market share in its home state of Florida. Its mission is to disrupt the gas station fueling model by providing consumers and businesses with the convenience, safety, and touch-free benefits of on-demand fueling services brought directly to their locations. For commercial and specialty customers, at-site delivery during downtimes enables operators to begin their daily operations with fully fueled vehicles. For more information, visit www.ezfl.com.

With the number of gas stations in the U.S. continuing to decline, corporate giants such as Shell, Exxon, GM, Bridgestone, Enterprise, and Mitsubishi have recognized the increasing shift in consumer behavior and are investing in the fast growing on-demand mobile fueling industry, in companies such as Booster and Yoshi. As the only company to provide fuel delivery in three verticals – consumer, commercial, and specialty including marine and construction equipment, we believe EzFill is well positioned to capitalize on the growing demand for convenient and cost-efficient mobile fueling options.

Forward Looking Statements

This press release contains “forward-looking statements” Forward-looking statements reflect our current view about future events. When used in this press release, the words “anticipate,” “believe,” “estimate,” “expect,” “future,” “intend,” “plan,” or the negative of these terms and similar expressions, as they relate to us or our management, identify forward-looking statements. Such statements, include, but are not limited to, statements contained in this press release relating to our business strategy, our future operating results and liquidity and capital resources outlook. Forward-looking statements are based on our current expectations and assumptions regarding our business, the economy and other future conditions. Because forward-looking statements relate to the future, they are subject to inherent uncertainties, risks and changes in circumstances that are difficult to predict. Our actual results may differ materially from those contemplated by the forward-looking statements. They are neither statements of historical fact nor guarantees of assurance of future performance. We caution you therefore against relying on any of these forward-looking statements. Important factors that could cause actual results to differ materially from those

in the forward-looking statements include, without limitation, our ability to raise capital to fund continuing operations; our ability to protect our intellectual property rights; the impact of any infringement actions or other litigation brought against us; competition from other providers and products; our ability to develop and commercialize products and services; changes in government regulation; our ability to complete capital raising transactions; and other factors relating to our industry, our operations and results of operations. Actual results may differ significantly from those anticipated, believed, estimated, expected, intended or planned. Factors or events that could cause our actual results to differ may emerge from time to time, and it is not possible for us to predict all of them. We cannot guarantee future results, levels of activity, performance or achievements. The Company assumes no obligation to update any forward-looking statements in order to reflect any event or circumstance that may arise after the date of this release except as may be required under applicable securities law.
